

MATERIAL SAFETY DATA SHEET

(In style of DIN 52 900): Page 1

Company: MAXICROP U.S.A. INC.
P.O. BOX 964
ARLINGTON HTS, IL 60005

Commercial name: MAXICROP ORIGINAL LIQUID SEAWEED

1.1 **Chemical characterization:** Dehydrated seaweed extract.
1.2 **Form:** Soluble powder.
1.3 **Colour:** Black
1.4 **Odour:** Typical for seaweed extract

2. PHYSICAL DATA AND SAFETY DATA

2.1 **Change in physical state:** Liquid
2.2 **Density:** 1.05 kg/dm³
Bulk Density: NA
2.3 **Vapour pressure:** NA
2.4 **Viscosity:** NA
2.5 **Solubility:** Liquid
2.6 **pH value:** 8.0 - 9.0
2.7 **Flash point:** Not flammable
2.8 **Ignition temperature:** No data
2.9 **Explosion limit:** NA
2.10 **Thermal decomposition:** NA
2.11 **Hazardous thermal decomposition products:** NA
2.12 **Hazardous reaction:** NA
2.13 **Further information:** No

3. **TRANSPORT UN No**
IMDG code No special precautions
ARD/RID
ICAO/IATA

Shipping name:

4. **REGULATIONS:** Not dangerous if proper industrial standards are applied when handling.
In case of contact with eyes, rinse immediately with plenty of water and obtain medical advice.

Air contamination limits: No data

Please turn over

Commercial name:

9.	FURTHER INFORMATION: None.	

Every endeavour has been made to ensure that the information contained in this leaflet is reliable, but we cannot accept liability for any loss, injury or damage which may result from its use. Data given in this DIN safety data sheet are solely for guidance in safe handling and use of the products(s) by customers; they do not form part of any specification. If any difficulties arise, we shall be glad to discuss them. Customers are encouraged to conduct their own tests following discussion with our technical application management. The above information is based on experience, but it is always advisable for customers to satisfy themselves, by consultation with our technical application management and small scale tests if necessary, that the product which they have selected is suitable for their purpose under their conditions of use.
